I'm leaving shortly and out tomorrow. Can we discuss further Monday?

Amy:

One of the IDs is for the emergency response conducted early August 2014.

The second ID is associated with the Removal Assessment and Removal Action that started in Late August 2014.

Let me know if this answers your question.

Thanks

Do you have a meeting today to discuss CES? I have a question about why we have two different Site IDs for the Site.

Thanks,

Amy
